LATE MRS. FAHMIDA BEGUM

Following her lifelong teachings of altruism, Mrs. Fahmida Begum's children established the Fahmida Begum Foundation in Karachi. This organization serves as a dedicated tribute to her mission, providing vital support and empowerment to the city's most disadvantaged communities. Though Mrs. Fahmida Begum passed away in 2014, she left behind an immortal legacy. Her life remains a great example of how unwavering dedication to others can create a lasting, positive impact on the community.

TRIBUTE TO THE LOVING LEGACY OF

LATE SHEIKH MUHAMMAD SAEED, BROTHER OF LATE MRS.FAHMIDA BEGUM

Sheikh Mohammad Saeed was the dear elder brother of Fahmida Begum. The Foundation has progressed tremendously due to his blessings. He made ceaseless and relentless efforts to promote active participation of students in social activities. His cordial and amicable demeanor made him everyone's favorite among the staff and students. Sheikh Mohammad Saeed loved Pakistan and breathed his last in Karachi. He was 99. May Almighty Allah grant him the highest place in Jannat ul Firdous. Ameen

Vision

Fahmida Begum Foundation aims to be among the top welfare organizations of Pakistan in few years. The organization will help the needy and underprivileged section of the society to grow, prosper, and contribute towards prosperity of the society and betterment of the country.

Mission

The Fahmida Begum Foundation envisions bridging the gap between the privileged and underprivileged, the rich and poor, and the upper and lower classes. Our vision is to empower the lowest sections of society, providing them with the support they need to fulfill their essential needs and elevate their social status.

Objectives

Our guiding principles provide a roadmap to meet the following objectives:

- To develop and maintain transparent system and processes for achievements of defined objectives.
- To create and monitor a sustainable stream of resources from the donors to those need assistance.
- To become a responsible, futuristic and hope- driven organization for community upliftment and modernization.
- To ensure transparency in our operations, communications and meeting commitments.

GUIDING PRINCIPLES

Our guiding principles provide a roadmap to meet the following objectives:

- Integrity
- Meritocracy
- Diversity & Inclusion
- Collaboration
- Transparency
- Hope
- Empowerment
- Awareness
- Community Upliftment

About Fahmida Begum Foundation

The Fahmida Begum Foundation is a non-profit welfare organization established on December 27, 2014, by the children of Mr. Sheikh Abdul Rashid (late) and Mrs. Fahmida Begum (late) to honor their late mother's legacy of compassion and service. Located in Mehran Town, Korangi Industrial Area, Karachi, the Foundation began through Fahmida Manzil, a flagship multi-purpose activity center that served as a safe space for underprivileged children, widows, and vulnerable families. It was recognized as one of the area's first child-focused green recreational spaces, providing children with dedicated play areas, learning activities, and a secure environment for growth and development. Over the years, the Foundation expanded its work from basic shelter and food assistance to education support, scholarships, healthcare, vocational training, women empowerment, mental health services, milk and malnutrition support, Ramadan food programs, and community welfare initiatives aimed at reducing poverty and improving lives. With the support of the COSARAF Charitable Foundation UK, the Fahmida Begum Foundation continues to empower underserved communities across Karachi. The Fahmida Begum Foundation is certified and registered under:

- The Societies Registration Act, XXI of 1860
- Economic Affairs Division, Government of Pakistan
- Pakistan Centre for Philanthropy (PCP)
- Sindh Charity Commission
- Sindh Health Care Commission, Government of Sindh
- Shariah Compliant by Alhamd Shariah Advisory Services (Pvt.) Limited
- Tax Exempted Entity by the FBR, Government of Pakistan
- Sindh Persons With Disabilities Protection Authority (SPDPA), DEPD, Government of Sindh

FBF Family

Our management, teachers, and staff are dedicated, hardworking professionals who prioritize both personal and professional growth. It is truly inspiring to witness their continuous development in their roles. This commitment was also reflected during a recent dinner graciously hosted by our esteemed trustees, Dr. Sheikh Idris and Madam Rukhsana at their home, where the spirit of unity and shared purpose within the FBF family was evident. Key Performance Indicators (KPIs) and regular assessments further enhance teaching proficiency and support student cognitive development. This culture of improvement extends across the entire FBF family, including our medical team, which provides essential health screenings, as well as our administrative and accounting staff, who ensure seamless and transparent operations. Additionally, our vibrant network of volunteers fosters a strong culture of mentorship and community service, working alongside our staff to maintain a safe, efficient, and inspiring environment for all.

Message From

Dr. Sheikh Idris

Cofounder & President

It is a pleasure, privilege and an honor to present the Fahmida Begum Foundation Annual Report for the year 2024–2025, as we continue our journey of service and commitment towards uplifting underserved communities across Karachi. Over the past year, the Foundation has further strengthened its integrated approach in the areas of education, healthcare, disability support, and social welfare, reaching thousands of beneficiaries through structured and impactful programmes. Our medical services have continued to provide free and accessible care, while our Special Education and Disability Department has expanded its outreach, supporting children with diverse needs and working closely with families to improve functionality and inclusion. We have also made meaningful progress in our nutrition and community support initiatives, addressing critical challenges such as malnutrition and access to basic necessities, while maintaining strong collaborations with institutions and partners to enhance the quality and reach of our services. As we prepare to transition into our flagship facility in 2026, we look forward to expanding our scope with enhanced preventive care, rehabilitation services, and the introduction of technology-driven systems to improve efficiency and patient care. This milestone reflects not only our growth but also our continued responsibility to serve with integrity, transparency, and compassion. I remain deeply indebted to our dedicated team, volunteers, partners, and donors whose unwavering support and trust have made this progress possible.

Message From

Mrs. Rukhsana Sheikh

Cofounder & Treasurer

The year 2024–25 represents a landmark period for the Fahmida Begum Foundation (FBF), showcasing a year of growth, innovation, and strategic achievements that are strengthening the Foundation for the future.

I, Mrs. Rukhsana Sheikh, Visionary Leader and Board Trustee, am honored to present this Annual Report, which highlights our commitment to compassion, empowerment, and community service. Building on the legacy of the late Mrs. Fahmida Begum, FBF continues to support vulnerable families through education, healthcare, food security, and empowerment, helping individuals live with dignity and opportunity.
This year, we celebrated the groundbreaking of the FBF Centre of Excellence and Empowerment, a landmark initiative uniting education, healthcare, and vocational training under one roof and signaling our shift from impactful programmes to enduring systems. Our SEND Department received official recognition from the SPDPA, and the Al Rashid Ilm-e-Nur Program for Men expanded educational access in underserved communities. During Ramadan, over 1,400 food parcels and Iftaar packs were distributed, alongside community events such as Meena Bazaar and Chand Raat celebrations, fostering joy and unity.

Through strong partnerships with Savaira, GEAR Trust, Soorty Enterprises, Team Taleem, Artistic Milliners, Getz Pharma, Seeds Venture, Taskeen, and UNDP, we have deepened our impact across multiple initiatives. We extend heartfelt gratitude to our team, partners, and supporters for their trust and encouragement, as we continue to scale responsibly, lead with integrity, and build a lasting legacy that outlives individuals and moments.

Message From

Talib Uz Zaman

Managing Director

The year 2024- 25 marks a defining moment in a decade-long journey of the Fahmida Begum Foundation. I am proud to present this Annual Report, which captures a year of progress, meaningful outcomes, and strategic milestones that are shaping the Foundation into a stronger, more resilient institution for the future. The most significant milestone of the year was the ground-breaking of the Fahmida Begum Foundation Centre of Excellence and Empowerment. This signals our transition from delivering impactful programmes to building enduring systems. The new Centre is a strategic investment in scale, sustainability, and leadership designed to strengthen our operational capacity and ability to drive transformational change at greater depth and reach. It is a foundation for the future we are building. Across our programmes, we continued to move beyond short-term outcomes toward lasting impact, expanding opportunity, strengthening communities, and embedding dignity, accountability, and purpose in everything we do. I extend my deepest appreciation to COSARAF Charitable Foundation, our Trustees, Partners, Supporters, and Friends for their trust and long-standing partnership. Your support has enabled us not only to respond to immediate needs but also to invest in a vision that looks beyond the present, toward systems that endure and impact that compound over time. As we look ahead, our focus is clear: to scale responsibly, lead with integrity, and build an institution that outlives individuals and moments. Thank you for standing with us as we move from promise to permanence.

Principal

The academic year 2024–25 reflects our continued commitment to nurturing confident learners and responsible individuals. Through focused teaching, care, and encouragement, our students have grown both academically and personally. This progress has been made possible by the dedication of our teachers and staff, alongside the generous support of COSARAF Charitable Foundation and other valued donors. I extend my sincere gratitude to our Founder, Madam Rukhsana Sheikh, and our President, Dr. Idris Sheikh, whose vision, guidance, and unwavering support continue to strengthen our mission. Together with the Managing Director, parents, and partners, we move forward with renewed purpose to empower every child through quality education and meaningful opportunities.

FAHMIDA BEGUM SCHOOL

Academic and National Celebrations

The academic year 2024–25 was defined by milestones that celebrated both national identity and student development. We welcomed our new cohort with a comprehensive parent orientation, formalizing our partnership through contract signings and the distribution of essential supplies, including books, stationery, and uniforms.

To prepare our students for the future, we launched AI classes to build modern skill sets. We introduced a student house system and an Investiture Ceremony to foster leadership and school spirit. Our commitment to holistic development was further strengthened by an all-inclusive Sports Day and the introduction of a dedicated well-being counselor to support student mental health and emotional growth.

Nomi Kashif

HOD of SEND Department

Under the Fahmida Begum Foundation, the SEND Department has achieved significant growth this past year, doubling its enrollment from 12 to 25 students. Our specialized seven-member team—including a physiotherapist, music and PT teachers, and three special educators—provides a holistic blend of Individualized Lesson Plans (ILPs) and physical rehabilitation. Significant developmental milestones were reached this year, such as our student Dua gaining the ability to sit independently through regular physiotherapy. Beyond clinical and classroom successes, the department reached a major professional milestone by officially registering with the Sindh Persons With Disabilities Protection Authority (SPDPA), Department Of Empowerment Of Person With Disabilities (DEPD), Government of Sindh. We remained active in the community by hosting numerous awareness events for conditions like Cerebral Palsy and Spina Bifida, while maintaining transparency through regular monthly reporting and Parent-Teacher Meetings.

Special Education Needs

& DISABILITIES DEPARTMENT (SEND)

The Fahmida Begum Foundation is passionate about creating an environment where all children can flourish. Our SEND (Special Education Needs and Disabilities) program is dedicated to empowering students with special needs and helping them achieve their full potential.

77 TOTAL STUDENTS SUPPORTED

1 **Regular Training**
Ensuring our staff are equipped with the latest methodologies.

2 **Curriculum Updates**
Integrating new research and best practices into our teaching.

3 **Community Partnerships**
Collaborating to expand our reach and resources.

4 **Future Expansion**
Planning to serve more children and families.

Led by FBF President and CareTech UK co-founder, Dr. Sheikh Idris, the program offers a thoughtfully designed and systematic approach, complete with specialized spaces and resources. From sensory equipment to adaptive learning aids, every child receives the support they need to succeed. FBF is committed to a supportive and enriching environment that celebrates each individual's unique abilities. Beyond academics, the SEND program prioritizes holistic well-being. Physiotherapy sessions enhance movement, strength, and motor skills, while creative activities are used to boost emotional wellness and refine fine motor skills.

Creative Activities

Engaging in creative pursuits is pivotal for emotional wellness and the development of fine motor skills, allowing children to express themselves and build confidence.

Physiotherapy Sessions

Our dedicated physiotherapy sessions are designed to enhance movement, build strength, and refine crucial motor skills, providing a solid foundation for physical independence.

This year, our most significant achievement was the successful integration of technology into our curriculum. We introduced tablets to our SEND students, which has enhanced their learning experience and familiarity with digital tools. Our aim is to educate and empower these students through various activities so they can integrate seamlessly into society. We hope to bridge the digital divide and empower SEND students to become active and contributing members of society. Our second major milestone was receiving the SPDPA certification.

Achieved Certificate of Registration from Sindh Persons With Disabilities Protection Authority (SPDPA), Department of Empowerment of Persons with Disabilities (DEPD), Government of Sindh.

Student Assessment and Progress Summary

Abid Nazar

Abid Nazar joined the FBF SEND class on 28 August 2025 and initially struggled with focus. With guidance and structured activities, he now completes tasks independently, participates actively in English, Urdu, and Math, and shows academic improvement. He enjoys bead-making, demonstrating concentration, patience, and fine motor skills. Overall, Abid has made notable progress in focus, learning, and confidence, developing important skills for future independence.

Ayan Nazar

Ayan Nazar joined the SEND class on 18 March 2025 and initially had no functional speech and limited social interaction. With guidance and structured activities, he now speaks simple words, participates actively in class, and confidently engages with peers. Ayan demonstrates positive social behavior, cooperation, and growing independence. Overall, he has made notable progress in speech, social skills, and classroom participation, developing essential skills for future learning.

Tayyaba Fareed

Tayyaba's successful transition to mainstream education marks a definitive milestone in her journey. After progressing from KG-2 to Grade level in just four months, she is now a thriving mainstream student. This achievement began in 2024 within the SEND Department, where she overcame physical challenges through dedicated physiotherapy and academic support. Today, Tayyaba continues to balance her mainstream studies with specialized therapy, proving that resilience and the right support can bridge any gap.

Savaira (Soorty Foundation's Division)- Parvaan School Wellness Program

Dedicated to mental well-being, providing support through counsellor Miss Arishah, with serious cases referred to JPMC.

The initiative focuses on the early identification of emotional and psychological challenges among students. It fosters a culture of openness, resilience, and emotional awareness within the school community. Through preventive activities and continuous support, the program enables students to build healthy coping skills for long-term well-being. A dedicated well-being counsellor is available five days a week to provide consistent guidance, support, and professional assistance.

The Connection Circles: Fostering Community and Dialogue

An interactive initiative designed to bridge the gap between students and educators through collaborative engagement and shared expression.

This initiative centers on creating a safe, inclusive space where students and teachers gather as equals to share perspectives and participate in collective activities. By breaking down traditional classroom barriers, the program encourages a culture of mutual trust and active listening. These regular sessions allow for the early cultivation of social awareness and provide a platform for students to express their thoughts freely.

Government Boys Primary School, Ibrahim Goth, Korangi

In collaboration with Sindh Education Foundation (SEF), we adopted Government Boys Primary School to provide high quality education and extra curricular facilities to more than **162 students**. Students received free books, bags, uniforms, shoes, lunch, and medical facilities.

This partnership also focuses on improving the quality of education through teacher development and curriculum enhancement in one of the most marginalized area of the Korangi.

SCHOLARSHIP PROGRAM:

Our scholarship program reflects our commitment to providing education for all. This year, we supported 15 students by giving them the financial resources needed to pursue their educational dreams. SCHOLARS SUPPORTED

This continued support strengthens our belief that education is a powerful tool for social and economic mobility. By investing in their future, we are not only supporting individual success but also building a stronger, more inclusive academic community. Our commitment remains focused on expanding opportunities and sustaining meaningful impact for future generations of learners.

SCHOLARSHIP IMPACT: ACADEMIC GROWTH

Over the past year, we supported 15 students, including those in Grade 6, 7, and Matriculation. These bright children, lacking financial means, now have the opportunity to succeed. With consistent support, students showed significant improvement in their academics, reflecting renewed confidence and motivation.

BEYOND GRADES: A SHIFT IN MINDSET

Children who once saw poverty as their destiny now dream of becoming doctors, engineers, and teachers, driven by renewed hope and ambition. At the same time, parents who were once burdened by overwhelming school fees now feel relief and reassurance. Education has transformed from an impossible dream into an achievable pathway, bringing dignity, opportunity, and a brighter future within reach for entire families.

Students Testimonials

Faiz Bano

My name is Faiz Bano, and I am a dreamer with a vision for the future. Before 2024, the path to my education felt heavy with uncertainty. I worried constantly about the financial burden on my father, and the stress of managing course fees often pulled my focus away from where it belonged: my books. Everything changed when I received a scholarship from the Fahmida Begum Foundation. With the weight of tuition fees lifted, I could finally dedicate myself fully to my learning. This peace of mind translated directly into academic success, allowing me to secure an 'A' grade in my 9th-grade exams.

Iqra Nadir

I am Iqra Nadir, a focused 17 year old girl from a modest family. My father works as a laborer, and despite our challenges, I have always been eager to learn. I began my educational journey by joining the Fahmida Begum Foundation’s basic digital literacy course. Recognizing my dedication, the foundation supported me in completing my 9th grade. I worked hard and successfully passed all my subjects with 61%. Now, I am determined to complete my matriculation and continue taking more courses to further improve my education and skills.

Mehwish Niaz

My name is Mehwish Muhammad Niaz, and I'm deeply grateful for the Fahmida Begum Foundation's scholarship program. This vital support, which I've benefited from since joining FBF's activity center in 2014, has been instrumental in my education. It allowed me to successfully complete the 7th grade at a government school, where I was incredibly proud to achieve first position in my class. Coming from a family of six children, with my father working hard by operating a waste material cart, education is very important to me. I'm now excited to continue my studies in the 8th grade at Fahmida Begum School in the upcoming session

GOVERNMENT SPECIAL EDUCATION AND REHABILITATION CENTER IT LAB:

The Fahmida Begum Foundation is proud to announce a major step in our dedication to inclusive education: we have successfully donated a fully equipped IT lab to the Government Special Education and Rehabilitation Center in Korangi. This IT lab is set to revolutionize learning for students with special needs. Our goal is to help them develop a tech-savvy mindset early on and significantly boost their digital skills, opening new doors for their learning and future. To ensure these students get the best guidance, we have also provided a dedicated IT instructor, Miss Atiya, who will lead their learning in this new facility. This project highlights our core belief in providing all children with equal access to technology education.

Inside the IT Lab – Where Potential Meets Opportunity

Fahmida Begum Foundation is proud to announce a significant milestone in our commitment to inclusive education: donated a fully furnished IT lab to the Government Special Education and Rehabilitation Center in Korangi (DEPD), Government of Sindh.

This state-of-the-art information technology lab is designed to be a transformative resource, specifically empowering special needs students. Our goal is to help them cultivate a tech-savvy mindset from an early age and significantly enhance their digital skills, opening up new avenues for learning and future opportunities. To ensure these students receive expert guidance and support, we have also provided our dedicated IT instructor, who is leading their learning journey in this new facility.

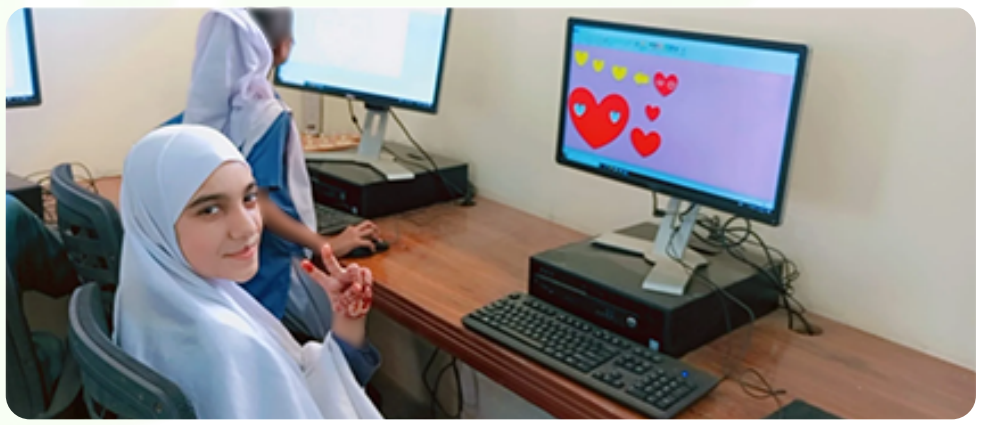
- Career-oriented skill development



Ramadan Food Parcels Distribution

The Fahmida Begum Foundation's annual Ramadan food parcel distribution, a crucial initiative supported by the COSARAF Charitable Foundation, delivered essential aid to underprivileged families in Karachi.
To ensure fairness and efficiency, a rigorous process was implemented. Two months before Ramadan, beneficiaries were carefully selected through detailed applications and home visits. A token system, coupled with CNIC verification, prevented duplication during the three-day distribution. The whole drive was completed under the guidance of our Shariah Advisor. This year, the foundation successfully distributed 1,354 food parcels, totaling over 40,620 kilograms of food items, which reached over 6,770 beneficiaries. Our distribution also included prayer mats, tasbeehs, and the Holy Quran.
This substantial effort, made possible by the Cosaraf Charitable Foundation and other donors, provided a month's worth of vital sustenance, significantly expanding the foundation's outreach.

Impactful Distribution: By the Numbers

This year, our efforts have reached an unprecedented scale, thanks to the dedication of our team and the generosity of our partners. Together, we have expanded our impact, strengthened our programs, and touched more lives than ever before.

IFTAAR DISTRIBUTION IN KARACHI

On a blessed month of Ramadan ul Mubarak, Fahmida Begum Foundation continued its yearly tradition of spreading joy and nourishment by distributing iftar meals to the community members of Mehran Town. The iftar included dates, spring rolls, dahi baray, and sharbat, bringing warmth to fasting individuals and families. Since the beginning of Ramadan, the foundation has been committed to daily iftar distribution within the community and has also extended this effort by providing biryani iftar boxes on various roads for those breaking their fast. The smiles and gratitude witnessed from the beneficiaries made the endeavor deeply rewarding, with hopes for Allah's acceptance of their contributions and ease for all.

Where We Served

- Shan Chowrangi
- Bilal Chowrangi
- Indus Hospital
- Near Alamgir Institute
- Near Sharifabad Police Station

Across these locations, the foundation reached individuals and families who spend their day working in busy surroundings with limited access to a proper iftar. By distributing along active streets and local markets, volunteers ensured that those observing the fast could break it with comfort and dignity.

IFTARS DISTRIBUTED IN KARACHI

SHEIKH ABDUL RASHID JAMIA MASJID, MATIARI, HYDERABAD, SINDH

Throughout the entire holy month of Ramadan, our newly constructed Sheikh Abdul Rashid Jamia Masjid in Matiari, Hyderabad, served daily iftari to community members, fostering a profound sense of unity and compassion that embodied the true spirit of this blessed month.

01

Daily Iftar Provision

Nourishing meals including biryani, samosas, pakoraas, dates, and juice served throughout Ramadan

02

Community Gathering

A central point for breaking fast together, strengthening bonds amongst neighbors.

03

Spiritual Retreat

Hosted 12 individuals observing Etikaaf during the last ten blessed days of Ramadan

The masjid became a beacon of hope, inspiring people to give more, care more, and stand together in service of humanity. As hands were raised in dua and hearts were filled with faith, the collective spirit of the community grew stronger. May these acts of kindness continue to illuminate lives beyond Ramadan, fostering lasting change, unity, and compassion, and may Allah accept every sincere effort, reward every giver, and guide us all to remain a source of goodness for others, always. Ameen.

THE SPIRIT OF SACRIFICE

At Fahmida Begum Foundation, Eid al-Adha represents a profound opportunity to embody deep faith and the spirit of sacrifice by remembering those in need. Like every year, we made special Qurbani arrangements to ensure underprivileged families could fully participate in the celebration, distributing fresh meat with dignity and respect.

The principal, Miss Maryam, conducted a DSM training to improve classroom management. This reflects the school's commitment to teacher development.

The Fahmida Begum Foundation hosted a breast cancer awareness session with Feroze1888 to teach early detection. This reflects the organization's commitment to community health.

Getz Pharma conducted an antibiotics awareness session in Mehran Town to teach proper usage and risks. This reflects the organization's commitment to responsible healthcare.

The Polio Eradication Program team held an awareness session at FBF to educate parents on the importance of vaccination. This reflects the organization's commitment to a polio-free future for children.

FBF teachers attended an Oxford University Press workshop to learn new strategies for teaching history, geography, and early reading. This reflects the organization's commitment to enhancing teaching quality and student learning.

To mark World Cancer Day, the Fahmida Begum Foundation held a session to raise awareness about cancer prevention. This reflects the organization's commitment to community health and education.

As part of Financial Literacy Week, the Fahmida Begum Foundation hosted Ms. Ayesha Ashraf Jangda to teach banking and budgeting essentials. This reflects the organization's commitment to empowering students and teachers with financial knowledge.

SEED Ventures Programme Manager Warisha Atiq led a hands on session for Imarah learners to simplify basic arithmetic and financial calculations. This reflects the organization's commitment to empowering women with practical financial skills.

We are proud to share the success of the Graduation Ceremony held at Fahmida Begum Foundation, celebrating participants who completed literacy and skills development courses under the Imarah Women Empowerment Program.

Message From

Dr.Sheikh Idris

Cofounder & Medical Director

It is a pleasure, privilege and an honor to present the Fahmida Begum Medical Clinic annual report as we enter the 11th year of our operations, serving about 200,000 people in a very deprived area of Karachi with free medical, pharmacy, laboratory, and mental health services. In 2024-2025, we treated 18,000 plus patients and established a Special Education Class and disability department with 25 regular students and 65 on the waiting list, while also registering with the Government of Sindh Department of Disabilities and contributing to a nationwide heart disease study organized by Getz Pharma. Our nutritional and Milk Malnutrition programmes supported underweight children with significant improvements. As we move to our Flagship building in August 2026, we plan to expand services including preventive health, home care, elderly care, hospice, and more, while adopting a paperless IT-based medical record system. Over 11 years, we have had no medical legal cases and have actively supported disaster relief and medical camps, and I remain indebted to our Doctors and medical staff for their unwavering support.

BRIDGING THE HEALTHCARE GAP IN PAKISTAN

A Lifeline for All Ages

Our Medical and Pharmacy Services program acts as a crucial safety net, providing essential healthcare from preventative care to ongoing well-being for every generation.

Access & Affordability

We actively bridge the affordability and accessibility divide, ensuring that financial constraints do not hinder anyone's right to quality medical support.

The Fahmida Begum Foundation is dedicated to addressing critical healthcare needs in Pakistan, a country that struggles with low healthcare access. To combat this, FBF provides a comprehensive Medical and Pharmacy Services program that serves as a safety net for all ages, promoting preventative care and overall well-being. This program bridges the gap in affordability and accessibility, ensuring that quality healthcare is not a privilege. Our on site medical and pharmacy department offers free daily check-ups, with Dr. Sheikh Idris and Dr. Hamid conducting morning Outpatient Department (OPD) sessions and Dr. Aneela leading evening sessions. All consultations and dispensed medications are provided at no cost under the supervision of qualified medical experts.

BUILDING A HEALTHIER PAKISTAN THROUGH SUSTAINABLE SUPPORT

In addition to daily services, we conducted free monthly blood tests twice in a month, an initiative aimed at early detection and disease prevention. Our President, Dr. Sheikh Idris, also conducts medical awareness sessions every Tuesday for staff, covering various health topics, their symptoms, causes, and cures. Recognizing the often-overlooked aspect of mental health, FBF launched the "Ao Baat Kare" (Let's Talk) initiative in collaboration with Taskeen Mental Health Initiative. This program creates a safe space for open dialogue and professional support, working to destigmatize mental health and encourage individuals to seek the help they deserve. Through these multifaceted efforts, FBF continues its commitment to improving the well-being of the community.

WEEKLY MEDICAL AWARENESS SESSIONS BY DR. SHEIKH IDRIS

Weekly medical awareness sessions were conducted for our staff by Dr. Sheikh Idris. These sessions focused on improving understanding of common medical challenges and strengthening the staff's ability to respond effectively in various situations.

MILK MALNUTRITION PROGRAM

126 TOTAL BENEFICIARIES SUPPORTED

Launched in November, 2022, in response to Pakistan's nationwide epidemic of stunted growth, malnutrition, and food inflation, the Fahmida Begum Foundation (FBF) initiated a program to address this critical issue. This decision followed a review of World Health Organization data, which indicated a stunting prevalence of over 40% in Pakistan. The program monitors height and weight, general well-being, and growth within expected parameters (2 inches/year for ages 1-12, 4 inches/year for ages 12-18). Initially targeting 20 beneficiaries, the program currently serves 11 children. Weekly monitoring has shown a 7-15% weight increase among beneficiaries, along with improved immunity, reduced sickness, increased energy levels, and elevated mood and performance.

A Success Story in Nutrition: Tracking Child Growth (Aug 2024 – Jun 2025)

Over a 10-month period from August 2023 to June 2024, we tracked the healthy growth of a selected group of children. The great news is that the vast majority of these kids successfully gained a healthy amount of weight, typically between 1 and 4 kilograms.

ADULT VOCATIONAL AND SKILLS-BASED TRAINING FOR WOMEN

The Fahmida Begum Foundation (FBF) advances women's empowerment in line with UN SDG 5 (Gender Equality) by equipping underserved women with essential skills for economic independence. Through digital literacy, enterprise development, vocational sewing, and IT skills training, FBF enables women to access employment and self-reliance opportunities.

Digital Literacy

FBF equips illiterate women with basic literacy and tablet skills, bridging the digital divide.

Enterprise Development

The Imarah Women's Empowerment Program helps women gain skills and confidence to start businesses.

Vocational Training

Our 3-month sewing class teaches women tailoring skills to earn and build a sustainable livelihood.

Digital Skills

This IT course trains women in practical tools like Canva, MS Office, and InPage, enabling them to work confidently and earn independently.

361 TOTAL BENEFICIARIES SUPPORTED

During the year, FBF partnered with UNDP–Artistic Milliners, GEAR Trust, COSARAF, Savaira, and the Memon Industrial & Technical Institute, benefiting women through sewing, IT, digital marketing, and microfinance initiatives. These programs strengthened livelihoods, enhanced employability, and contributed to improved family and community well-being.

These initiatives collectively promoted dignity, self-confidence, and sustainable income generation among women from marginalized communities. By expanding access to market-relevant skills and innovative social business models, FBF supported women in becoming active economic contributors. The Foundation remains committed to scaling these interventions, strengthening partnerships, and creating inclusive pathways for women's empowerment and long-term social impact.

WOMEN'S DAY CELEBRATION & TRIBUTE TO LATE FAHMIDA BEGUM

The Fahmida Begum Foundation marked International Women's Day with a special gathering dedicated to honoring elderly women and recognizing their strength, resilience, and lifelong contributions to society. The occasion also commemorated 10 years in remembrance of late Mrs. Fahmida Begum, whose values continue to inspire the Foundation's mission of compassion, dignity, and community support.

The event was graced by the presence of guest of honor Erum Masood, whose participation added warmth and encouragement to the celebration. The day was organized to make elderly women feel valued, respected, and appreciated through self-care sessions, new dresses, inspiring stories from young beneficiaries, and discussions focused on women's empowerment and mental well-being. The program concluded with gifts, a shared meal, and heartfelt moments of gratitude, reflecting dignity, joy, and lasting community impact.

A GRANDDAUGHTER'S LOVING TRIBUTE TO HER NANI AMMA

"You Will Always Be Loved, Always Be Remembered"

Nani amma was a woman of immeasurable beauty and strength. She had a resilient spirit, facing a multitude of challenges and tragedies with a strength and patience that never compromised her soft loving nature. Naniana tragically lost her husband at a young age, leaving her a single mother of four. Despite these struggles she tackled each hardship with dignity, grace, and absolute gratitude. With a determined will and unfaltering love for her children she created a stable, nurturing home.

Nani amma's deen was an important part of her life, she always had faith and trust in Allah and his plan for her. Her deen was reflected in her character, she carried herself with great humility, modesty and was authentically honest in her approach to tackling her choices in life. Her warm loving spirit helped shape the foundations of her family, her children, and her grandchildren. We all miss the pure unconditional love she gave us; she treasured her loved ones.

One of Nani amma's stand out talents was her cooking. She offered many family members across generations counsel along with a generous plate of food. Nani amma had an empathetic, compassionate ear and always gave measured, thoughtful wise advice. We all felt not only listened to but more importantly heard. Nani amma created a welcoming, open home. She instilled a tradition of gatherings in our family, enjoying nothing more than having a house full of people and laughter. Nani amma's recipes have been passed around the family and down generations. She had an intuitive sophisticated palate mixing complex spices and flavours to produce delicious meals. Nani amma was an amazing hostess, every guest walked away feeling well fed and looked after. In all the activities and duties, she carried out, Nani amma was very patient. Even in teaching us her recipes, she was a dedicated precise teacher that demanded perfection with a gentle touch.

Nani amma was not only the head of our family but also the heart of our family. She was that missing piece that held all the branches of our family together. We all miss her calls to remind us we are loved and cared for. She will forever be missed, but will always be remembered as a strong, loving mother, wife, sister, grandmother, and great grandmother. We will forever yearn for her presence, and yearn for her affection and reassurances, accepting her loss is still a challenge. In remembrance of her we are determined to uphold her legacy and memory by carrying forward her example down future generations.

SUCCESS STORIES

Ruby Shehbaz, a devoted mother of six whose husband works as a laborer, faced the challenge of supporting a large family with limited resources. Determined to create a more stable financial future, Ruby leaped into entrepreneurship by establishing her own confectionery shop. Her business initiative gained crucial momentum when she secured a loan from GEAR and COSARAF. This financial boost allowed her to expand and solidify her operations. Recognizing that running a business requires specialized knowledge, Ruby proactively enrolled in an enterprise class. Here, she learned essential skills on how to operate and manage her business effectively, ensuring its longevity and profitability. Today, Ruby is a shining example of empowerment. She successfully operates her shop, utilizing the combination of her innate drive, crucial financial support, and formal business training. Her commitment to learning and her willingness to invest in her own education have transformed her from a caretaker into a thriving business owner, making her a significant contributor to her family's well-being.

Zuriyat, as the mother of four young children and wife to a hardworking laborer, this determined entrepreneur recognized the immediate need to boost her family's income and stability. Driven by the desire for a better life for her children, she embarked on a journey of skill development and entrepreneurship. Her first critical step was enrolling in an enterprise class, where she acquired the fundamental knowledge of running and managing a small business. This training provided the confidence and structure needed to grow her initiative. Crucially, she secured a business loan from GEAR, providing the vital capital necessary to invest in equipment and raw materials. Leveraging her talent, she specializes in both stitching clothes and intricate hand embroidery. Her skills in detailed needlework allow her to offer high-quality, customized products, which are key to maintaining a profitable business. Through her dedication to both craft and commerce, she not only provides a significant supplement to her husband's labor income but also becomes a respected and independent business owner in her community. Her success story is a testament to the power of targeted training and financial support.

Amna Shakeel, a single mother raising two sons, refused to let challenging circumstances define her future. Living with her family, Amna recognized the need for financial independence and stability. Her journey to self-sufficiency began with foundational skills; she diligently completed both the IT and Enterprise courses offered by the Fahmida Begum Foundation. Armed with business acumen, Amna took the crucial step of securing a business loan from GEAR Trust Pakistan. This capital was instrumental in transforming her dream into reality: she successfully renovated a room in her home into a professional beauty parlour, which is now running successfully. Amna's true passion lies in beauty a skill she honed by learning makeup artistry from various institutes. Beyond running her parlour, Amna is now a dedicated educator, conducting makeup classes to empower other women. Her courses are structured into basic and advanced categories, running for three months each, and currently cater to a cohort of five students. Amna Shakeel's success story is a powerful illustration of how targeted education, financial support, and sheer passion can empower a woman to become a thriving entrepreneur and an inspiring community leader.

SUCCESS STORIES

Armaan Karim Baksh, who comes from a family of six siblings supported by his hardworking father, a rickshaw driver, and his mother, a housewife, initially faced significant hurdles upon gaining admission to the school last year. He struggled with concentration in class and managing his emotions, often feeling confused in the new academic environment. The turning point came when Armaan was enrolled in counseling sessions. In these sessions, he found a safe space to discuss his feelings and engaged in therapeutic artwork, which helped him process and manage his emotions effectively. This dedicated support led to a remarkable improvement in his well-being and academic focus. Now, Armaan has fully embraced his potential. His favorite subjects are Sciences and Social Studies (SST), and his passion for learning extends beyond the classroom. He showcased his technical aptitude during the summer camp, where he completed a course in web development. This interest secured him admission to a prestigious computer course at Alamgir. On a personal level, Armaan is now comfortable making friends and actively participates in school life. His determination has led to impressive achievements, including securing 1st position in a race and enthusiastically participating in the Science competition. Armaan's success story is a testament to the transformative power of a supportive educational environment, and he is genuinely happy to be a part of the Fahmida Begum School community.

The journey of Javeria Naseem is an incredible testament to ambition and hard work. At 25 years old, she not only completed her MITI course in basic beautician skills but also graduated as the top student in her class. While her husband maintains his company job, Javeria did not rely on that security; instead, she successfully built and currently runs her own small, home-based parlor. This venture has already provided her with invaluable financial stability. Her dedication did not stop there. After quickly completing her initial four-month program, she took the initiative to enroll in a one-year diploma in advanced beautician skills, fully funding the training herself. She is also known as a great Mehndi artist. Javeria’s greatest dream is to pay this success forward: she aspires to open a center where she can teach Mehndi art for free to underprivileged girls. She wants to empower them with a skill that leads to financial independence, just as learning has done for her. Her journey proves that with her level of determination, anything truly is possible.

Hardship Grants

The Fahmida Begum Foundation supported Shabana Rasheed, a 33-year-old mother of five, as she began a transformative journey through our Imarah program. After completing an enterprise course to develop her business skills and a basic literacy course to improve her reading and writing, she gained the confidence to start her own venture. Shabana started modestly, selling clothes before discovering her passion as a jewelry maker. Recognizing her talent, the Fahmida Begum Foundation and GEAR Pakistan Trust provided her with a microfinance loan to expand her business and secure a better future for her family. With our invaluable assistance, Shabana has since transformed her home into a skill center. She now proudly teaches stitching, beadwork, and handmade embroidery to other aspiring young women, charging a small fee to ensure the initiative's sustainability. She is profoundly grateful to our co-founder, Madam Rukhsana, for the loan that allowed her to build this center.

The Fahmida Begum Foundation supported Rani, a 35-year-old single mother of six, in her efforts to expand her income as her family's primary provider. Rani, whose son works as a laborer, previously ran a small canteen from her home and had invested in hens to sell eggs. When she learned about the FBF Bano Waseela Rozgar program, she was provided with a food cart, allowing her to run her canteen properly and attract more customers. The foundation also gave her a microfinance loan, which enabled her to buy more hens and grow her egg business. Rani expressed profound gratitude for the support and trust placed in her, stating that the program has given her real hope for a better future for her children and herself.

At Kanz ul Emaan Mosque, we provide financial assistance for crucial needs including water tanker services, the Imam's salary, repair and maintenance, and electricity bills. Similarly, at Makki Masjid, our contributions cover the costs associated with their generator and the petrol required to ensure a basic electricity supply for the mosque. Through these efforts, we aim to help maintain these important community centers.

TRUSTEES VISIT

In August 2024, the Fahmida Begum Foundation had the honor of hosting Mr. Haroon Sheikh, CEO of Caretech and Board Member of COSARAF Charitable Foundation and Fahmida Begum Foundation; Mr. Hamza Sheikh, Director of Investment at Caretech and Trustee of COSARAF Charitable Foundation; Madam Ayesha Ayub, Trustee of Fahmida Begum Foundation; along with other esteemed members of the Sheikh family during their visit from Canada. Their presence brought great encouragement and reflected a strong commitment to the Foundation's vision.

During their visit, they engaged with various departments, interacted with beneficiaries and their families, and gained firsthand insight into the impact of our initiatives. They also held thoughtful discussions with program teams to better understand ongoing challenges and identify opportunities for further improvement. Their interactions fostered a spirit of collaboration and encouraged the exchange of valuable ideas for future growth. A key highlight was a productive meeting with representatives from Charity Right and ADVIS, focusing on strengthening partnerships and enhancing program effectiveness. Their guidance and support further reinforced our commitment to creating sustainable and meaningful change.

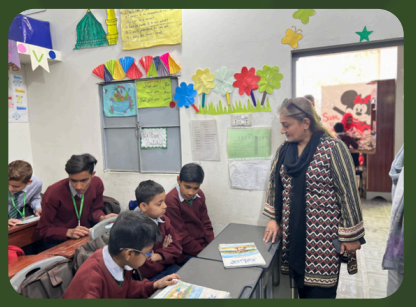
Guests Visits

The Fahmida Begum Foundation welcomed Dr. Anil Patil, Founder and Executive Director of Carers Worldwide, to explore potential collaboration opportunities. Launched in 2012, Carers Worldwide is a UK-based organization that uniquely focuses on supporting unpaid family caregivers in the global South, specifically in India, Nepal, and Bangladesh. During his visit, Dr. Patil met with our Managing Director to discuss a potential partnership to support caregivers in marginalized communities in Pakistan, beginning with Mehran Town. This collaboration is inspired by the successful caregiver support project in Bangladesh, which the CareTech Charitable Foundation supported.

On August 5, 2024, the Fahmida Begum Foundation hosted Ameera Hamza Sheikh and Alleyah Rukhsana Ayub, the granddaughters of our founders. They toured our facilities, met with students and staff, and expressed admiration for our work. We were particularly grateful for their personal commitment to philanthropy, as they have generously sponsored the education of two of our students. Their visit was a heartwarming testament to the family's enduring legacy of service and a great example of the younger generation's interest in our mission.

Media and Public Relations expert, Ms. Erum Masood, Director of Operations from PINE Global UK, visited the Fahmida Begum Foundation in Karachi. During her visit, she met with foundation leaders and staff to discuss potential partnerships aimed at expanding the foundation's reach and influence. Her experience in media and public relations is anticipated to significantly boost the foundation's ability to communicate its mission and projects. The Fahmida Begum Foundation is excited about the prospect of future collaborations that will help raise awareness for those they serve.

In our ongoing efforts to foster empowerment and growth, we were honored to welcome Ms. Zainab Hameed, CEO of TeeSquare, along with a group of accomplished women entrepreneurs and female leaders, to the Fahmida Begum Foundation this month. Their visit was truly inspiring, and their valuable insights have left a lasting impact on our work. We deeply appreciate their time and look forward to cultivating more meaningful collaborations in the future to collectively drive positive change.



Officials from the Sindh Persons with Disabilities Protection Authority (SPDPA) visited the Fahmida Begum Foundation, with a specific focus on our SEND Department, as well as our Medical and Pharmacy divisions. The SPDPA team, including Ms. Seema Karina Khoso, Director of Rehabilitation, and Ratna Deewan, Deputy Director, conducted a pre registration assessment for our SEND department. Furthermore, they provided valuable suggestions and insights aimed at enhancing the department's capabilities for future improvements. We extend our sincere gratitude for their time, dedicated efforts, and constructive recommendations.

News & Events

The Fahmida Begum School celebrated Pakistan's 77th Independence Day with great enthusiasm. The event was attended by board member Ayesha Ayub, Mariam Idris Sheikh from abroad, and the grandchildren of Dr. Sheikh Idris and Madam Rukhsana Sheikh.

Students and staff participated in patriotic activities, including songs, skits, and a quiz. A partially blind couple from Mehran Town also gave a special performance of national songs on the piano. The celebration ended with a special lunch and gifts for the students, who also participated in a planting activity, placing neem plants in the school to promote a sustainable Pakistan.

Following the mental health training session by Team Savaira's Parvaan program, we organized a presentation competition for our teaching staff. This served as a self-assessment to measure their understanding and ability to apply the program's principles, helping us create a more supportive school environment.

All presentations were exceptional, with Team Shaheen winning for their outstanding work. We were truly impressed by the dedication of all our teachers and are grateful to Savaira for including us in this important initiative.

On 20th November, Fahmida Begum School celebrated Children's Day with great enthusiasm. The event featured a vibrant puppet show, an engaging magic show, lively tableaus, and a fun-filled dance activity. These activities were organized to appreciate and celebrate our students, making their day memorable and filled with joy.

The Sindh government's health worker team visited Fahmida Begum Foundation to administer deworming medication to our students. The Pakistan Deworming Initiative (PDI) provides school-aged children, from 5 to 14 years, with deworming treatment at schools and in communities to control intestinal worm infections, across at-risk districts in the country.

We are grateful for this important initiative that is helping to improve the health and well-being of children in underprivileged areas. By providing deworming medication, the PDI is helping to reduce the prevalence of intestinal worm infections and improve children's overall health and development.

The Fahmida Begum Foundation hosted the Sundus Foundation to conduct an informative session on Thalassemia for the Mehran Town community. The session educated attendees about the hereditary blood disorder, which can lead to anemia and other serious complications. A few days later, the Sundus Foundation also organized a blood donation drive at FBF, which saw active participation from our beneficiaries and staff.

Fahmida Begum Foundation celebrated its first Inclusive Meena Bazaar in honor of Purple Tuesday, a campaign that promotes accessibility and inclusivity. While a specific day, it serves as a powerful reminder to embed these values into our daily lives for lasting, positive change.

News & Events

This year, the campaign expanded to nine countries, reaching a broader audience and reinforcing its global commitment.The Inclusive Meena Bazaar provided a unique platform for both mainstream and SEND (Special Educational Needs and Disabilities) students to showcase their talents and entrepreneurial skills. Each creative stall was a testament to their hard work, featuring handmade goods, captivating art, and delicious treats. The enthusiasm and contributions of the SEND students were particularly inspiring, highlighting the transformative power of inclusion. We extend our deepest gratitude to Ms. Nighat Awan, former Senior Vice President of the Korangi Association of Trade and Industry.

who honored the event as Chief Guest and provided a generous donation to support our SEND school program. A heartfelt thank you also goes to our partners, supporters, and guests who joined us in making this event a resounding success. Special thanks to our incredible students and dedicated teachers, who worked tirelessly to bring this vibrant bazaar to life.

Clothes Distribution: A simple act of kindness, like sharing clothes and goods, can have a profound impact on the lives of those in need. We distributed clothing and snacks to the deserving beneficiaries in Mehran Town. These donations, generously provided by our international donors, not only provide essential necessities but also uplift spirits and inspire hope. We extend our heartfelt gratitude to all our donors for their compassion and generosity.

FBF participated in an event organized by TeeSquare named "Reach to Teach - Ride for a Better Tomorrow." It was truly an amazing event, with hundreds of people participating in the bike ride to support education, particularly for underprivileged communities, with a focus on children and women, through cutting-edge tech solutions. In his speech, FBF's Managing Director emphasized the urgent need to join hands to promote education, provide solutions, and bring such initiatives to communities often overlooked due to distance, poverty, and lack of basic facilities. Women beneficiaries of the Imarah Women Empowerment program from Mehran Town were given a speaking slot to share their journey of learning through earning, which received great appreciation.

Following the successful Meena Bazaar, which saw overwhelming community support and achieved its fundraising goals, Dr. Sheikh Idris and Madam Rukhsana hosted a staff dinner at Rangoli to express their gratitude for everyone's hard work and dedication. Staff members were also awarded certificates of acknowledgement for their dedicated efforts.

News & Events

Summer Camp 2025 at Fahmida Begum School brought together our young learners in a vibrant and engaging environment. Students enthusiastically participated in activities, particularly painting and fabric painting, guided by dedicated instructors who encouraged creativity and self-expressionamong the children.

We are proud to share the success of the Graduation Ceremony held at the Fahmida Begum Foundation (FBF) to honor the outstanding achievements of participants who completed the Basic Literacy (Manual and Digital) Enterprises and Skills Development Courses under the Imarah Women Empowerment Program.

This transformative initiative was made possible through the collaboration with SEED Ventures and Teesquare The event brought together over 200 attendees, including graduates, their families, partner organizations, and our dedicated team. It was a moment of celebration, pride, and inspiration as we recognized high achievers with gold medals and awarded Certificates of Completion to all graduates.

To mark International Day of Education, Grade 7 students created and hosted a podcast featuring segments on street children in Pakistan, global literacy success stories, and personal responsibilities and gratitudes, also highlighting the Fahmida Begum Foundation's work in Mehran Town.

On December 4, 2024, a momentous day for the community, our honorable trustees, Dr. Sheikh Idris and Madam Rukhsana Sheikh, inaugurated the Sheikh Abdul Rashid Jamia Masjid in Matiari, Hyderabad. The ceremony, held after Zuhr prayers, was attended by over 150 attendees, including local residents, children from the masjid madrasa, and teams from FBF and MWT. The masjid, now more spacious and equipped to accommodate over 1,000 worshippers, is a testament to our commitment to the community.

Solar panels have also been installed, ensuring a sustainable energy solution. The event featured lunch and the distribution of mithai, along with tasbeehs for elderly worshippers and toys for children, bringing smiles to everyone present. The beneficiaries expressed heartfelt gratitude to COSARAF and FBF for providing a modern and comfortable prayer space, overcoming the limitations of the previous masjid.

The Fahmida Begum Foundation (FBF) held a groundbreaking ceremony for its new 40,000 sq. ft. Centre of Excellence and Empowerment in Mehran Town. This state-of-the-art facility will centralize all FBF services, expanding community reach and impact.

The project, expected to be completed within a year, embodies the late Mrs. Fahmida Begum's vision. The ceremony was attended by trustees, CareTech and COSARAF representatives, the construction team, and community members, and included speeches, celebrations, and a symbolic bricklaying.The event brought together over 200 attendees, including graduates, their families, partner organizations, and our dedicated team. It was a moment of celebration, pride, and inspiration as we recognized high achievers with gold medals and awarded Certificates of Completion to all graduates.

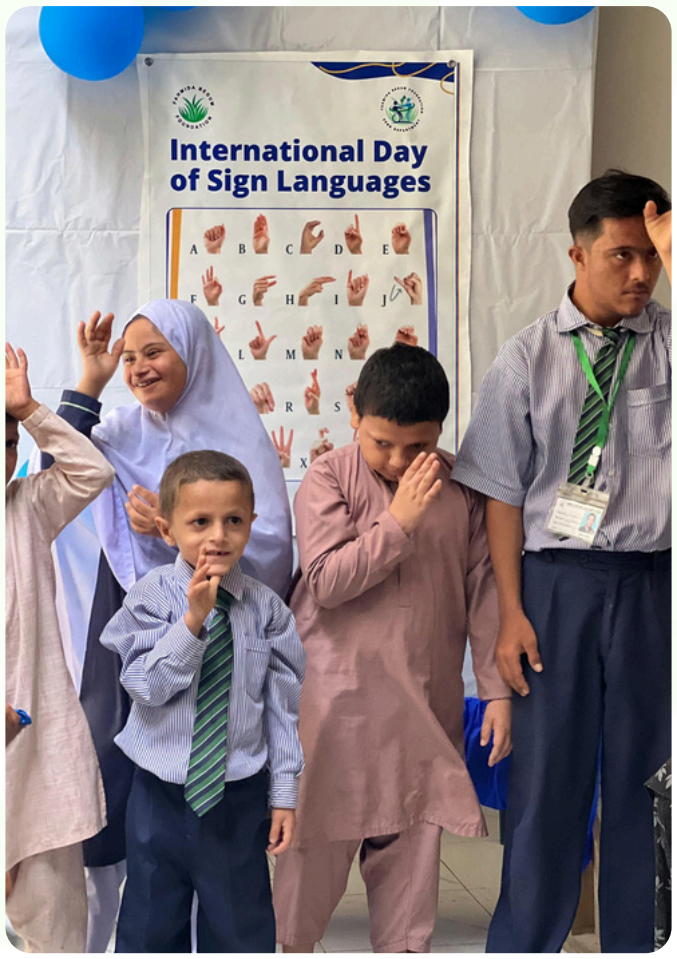
News & Events

The Fahmida Begum Foundation's Sports Spree, held on February 11, 2025, celebrated community, inclusivity, and empowerment through sports. The event featured an oath-taking ceremony, the national anthem, student aerobic performances, and the inauguration of a new IT lab. Distinguished speakers from government, education, and civil society emphasized the unifying power of sports—especially for children with special needs.

More than just a sports event, our Sports Spree was a testament to resilience and unity. We're grateful for our partnership with the Government Special Education and Rehabilitation Centre in making this day a success!

Our Managing Director, Talib-Uz-Zaman, attended the Enterprise Challenge Pakistan National Finals in Islamabad and was inspired by the students' confidence and social impact focus—especially the all-girls teams from KP and Balochistan. He was particularly delighted by the winning team from Noor-e-Sehar Special Education School, Dharki, whose recycled learning aids for inclusive education were truly inspiring.

Their innovation not only reflected creativity and resourcefulness but also a deep commitment to making education accessible for children with special needs. Witnessing young minds transform everyday materials into meaningful learning tools reaffirmed our belief in the power of inclusive education and youth-led change.



The Fahmida Begum Foundation actively participated in raising awareness for important global health observances. To commemorate World Hearing Day, the foundation organized engaging activities for students and parents, including a sign language exercise led by Ms. Nomi, Head of the SEND Department, and her team. The event, graced by Co-founder Ma'am Rukhsana Sheikh, Managing Director Sir Talib uz Zaman, Principal Mariyam Ahmed, and an enriching lecture by President Dr. Idris Shaikh, aimed to highlight the prevalence of hearing loss globally and in Pakistan, emphasizing inclusivity.

News & Events

On March 21st, the foundation collaborated with Indus Hospital to celebrate World Down Syndrome Day alongside the vibrant Chand Bazaar. Students from the SEND Department, Hadina and Owais, played a heartwarming role in spreading joy by distributing gifts to young patients, fostering an atmosphere of love, laughter, and the spirit of inclusion. This event underscored the importance of care, kindness, and equal opportunities for every child.

On the occasion of World Health Day, the Fahmida Begum Foundation reaffirmed its unwavering commitment to ensuring accessible, inclusive, and quality healthcare for all, particularly for underserved and vulnerable communities. This day serves as a reminder of the critical importance of health equity, and the collective responsibility to build systems that leave no one behind. Continuing its mission, the Foundation marked 7th April with meaningful engagement, highlighting its ongoing efforts to promote well-being and improve access to essential medical services. Through sustained dedication and community-focused initiatives, the Foundation strives to contribute towards a healthier, more inclusive, and equitable future for all. These efforts are further strengthened through collaborations with healthcare professionals, community partners, and volunteers who share a common vision of service and impact. By continuously expanding its outreach and enhancing the quality of care provided, the Foundation remains committed to creating lasting change in the lives of those it serves.

The Fahmida Begum Foundation joyfully celebrated Chand Raat with children, creating an evening of laughter and togetherness. Girls enjoyed mehndi and selecting bangles and clothes, while boys received prizes. The evening was made even more special by a heartfelt naat from young YouTuber, Ayat Arif, which truly touched everyone. The event, covered by Hum News and C21, was further shared through Ayat Arif's vlog on YouTube. Meaningful Eid gifts, iftar boxes, and Eidi were distributed to all students and staff, including SEND students. The foundation expressed deep gratitude to everyone who contributed to the unforgettable event.

The Fahmida Begum Foundation team visited My Home Al-Mustafa Noori Campus, an inspiring organization supporting orphans, the elderly, and students. The team, including Ms. Aliza, Ms. Uroosa, Ms. Hina, and Sir Nadeem, distributed Eid gifts to the children, bringing them joy. They also toured the facility, including the old age home, school, and orphanage, building meaningful connections and emphasizing the power of kindness and spreading hope.

News & Events

To celebrate the auspicious occasion of Eid, the founders of Fahmida Begum Foundation extended their appreciation to the entire team, including administrative, school, medical and house keeping staff, through the distribution of Eidi envelopes. This act of generosity fostered a sense of joy and togetherness, reflecting the foundation's care for its people during this important religious festival.

The Fahmida Begum Foundation hosted the Savaira Organization for a powerful theater performance titled "KHAMOSH SADAAYEIN" (Silent Voices). The play focused on mental health awareness and delivered a compelling message about the importance of emotional well-being, especially for students.

The performance served as a valuable reminder of the roles that different groups play in a student's life: Parents should actively listen and be present for their children. Teachers should observe and respond to changes in student behavior. Classmates must create a safe and inclusive environment free from bullying. The play deeply resonated with the audience and reinforced the urgent need for open and empathetic conversations around mental health. A heartfelt thank you goes to all the parents, teachers, and students who attended, as well as our student volunteers who were recognized with certificates for their outstanding contributions.

Our SEND Department had a wonderful and educational outdoor adventure at Alamgeer Model Park in Karachi. The trip involved a range of engaging activities designed to support their holistic development, including painting amidst nature to boost creativity and fine motor skills, hands-on gardening to foster environmental awareness and responsibility, and social interaction during snack time to encourage sharing and good manners.

The students also enjoyed up-close encounters with animals at the mini-zoo, guided park walks to develop spatial awareness and confidence, and calming aromatherapy sessions to promote relaxation and emotional regulation. This inclusive outing successfully combined sensory exploration, practical learning, and joyful social engagement for our students.

The Fahmida Begum Foundation participated in the Pakistan Center of Autism's (PCA) Autism Awareness Drive at Lucky One. Our SEND Department teachers shared their valuable expertise in supporting students with special needs. The event promoted understanding and support through engaging activities and was attended by distinguished leaders like Ms. Ratna Deewan, Deputy Director of SPDPA.

The Members of Management Committee
Fahmida Begum Foundation (the Society)
Karachi.

Dear Sirs,

DRAFT FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2025

We are pleased to enclose the draft financial statements of Fahmida Begum Foundation, for the year ended June 30, 2025, prepared by management together with our draft audit report thereon. We have initialed the financial statements for identification purposes. We shall be pleased to sign our audit report in the present form or with modifications after we have received the following:

a. The financial statements, with or without adjustments, approved by the Member of Management Committee and signed on its behalf by two Members duly authorized for this purpose;

b. Copy of minutes of meeting of Members of Management Committee approving the financial statements;

c. Specific approval of Members of Management Committee for the following transactions and adjustments;

1. Additions to property and equipment-at cost	Rs. 2,604,801
2. Expenditure incurred against capital work in progress	Rs. 17,153,502

d. A representation letter duly signed by the Treasurer and the Member.

1. **RESPONSIBILITIES OF THE AUDITORS AND THE MANAGEMENT IN RELATION TO THE FINANCIAL STATEMENTS**

1.1 The responsibilities of the independent auditors in a usual examination of financial statements are stipulated in the International Standards on Auditing as applicable in Pakistan.

1.2 While the auditors are responsible for forming and expressing their opinion on the financial statements, management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Society or to cease operations, or has no realistic alternative but to do so.

The Management Committee is responsible for overseeing the Society's financial reporting process.

2. **TRANSACTIONS WITH RELATED PARTIES**

We have been informed by the management that there were no transactions with related parties during the year other than those disclosed in the financial statements.

3. **CONTINGENCIES AND COMMITMENTS**
We have been informed by the management that there were no contingencies and commitments other than those as disclosed in the financial statements.

4. **FRAUDS AND ERRORS**
We have been informed by the management of the Society that to the best of their knowledge there have been no instances of frauds or irregularities during the year that could have a material effect on the financial statements of the Society.

5. **SUBSEQUENT EVENTS**
We have been informed by the management that there were no subsequent events having an impact on amounts and / or disclosure in the financial statements except as disclosed therein.

We would like to inform the Management Committee that unless we have signed our audit report on the accompanying financial statements, the same shall remain and be deemed un-audited.

We wish to place on record our appreciation of the co-operation and courtesy extended to us by the Society's personnel and officials during the course of our audit.

Yours truly,

DRAFT

Independent Auditor's Report to the members of Management committee

Opinion

We have audited the financial statements of Fahmida Begum Foundation (the Society) which comprise the statement of financial position as at June 30, 2025 and statement of income and expenditure and statement of cashflows for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the annexed financial statements present fairly, in all material respects, the financial position of the Society as at June 30, 2025, its financial performance and its cashflows, for the year then ended in accordance with the Accounting and Financial Reporting Standard for Small-sized Entities (AFRS for SSEs), issued by ICAP.

Basis for Opinion

We conducted our audit in accordance with the International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Society in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Members of Management Committee for the Financial Statements

The Members are responsible for the preparation and fair presentation of the financial statements in accordance with the approved accounting and reporting standards as applicable in Pakistan, and for such internal control as the Members determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Members are responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Society or to cease operations, or has no realistic alternative but to do so.

Members of Management Committee are responsible for overseeing the Society's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of the internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal control.
- Evaluate the appropriateness of the accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the management's use of going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Society to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with Members of Management Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The engagement partner on the audit resulting in this independent auditor's report is **Muhammad Saqlain Siddiqui.**

2 BASIS OF PREPARATION

2.1 STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

Revised Accounting and Financial Reporting Standards for Small Sized Entities (Revised AFRS for SSEs) issued by Institute of Chartered Accountants of Pakistan (ICAP); and

Accounting Standard for Not for Profit Organizations (Accounting Standard for NPOs) issued by the Institute of Chartered Accountants of Pakistan.

Where provisions of and principles issued under the Accounting Standard for NPOs differ from the Revised AFRS for SSEs, the provisions of and principles issued under the Revised AFRS for SSEs have been followed.

2.2 ACCOUNTING CONVENTION

These financial statements have been prepared under the historical cost convention.

3 MATERIAL ACCOUNTING POLICY INFORMATION

3.1 TAXATION

Since the activities of the Society are charitable in nature, therefore under section 100C of the Income Tax Ordinance, 2001 (the Ordinance), the Society is allowed a tax credit equal to 100% of the tax payable including minimum tax and final taxes payable under any of the provisions thereof.

Notwithstanding anything contained in sub-section (1A) of 100C, surplus funds of non-profit organization shall be taxed at rates mentioned in the Income Tax Ordinance, 2001.

3.2 OPERATING FIXED ASSETS

Tangible fixed assets are stated at cost less accumulated depreciation. Depreciation charge is based on reducing balance method at the rates specified in note 4.

In respect of additions and disposals during the year, depreciation is charged in full in the year of purchase and no depreciation is charged in the year of disposal respectively.

Minor repairs and maintenance are charged to the statement of income and expenditure as and when incurred, major renewals and improvements are capitalized and the assets so replaced, if any, are retired. Gain or losses on disposal of assets are taken to the statement of income and expenditure if any.

Financials

3.3 INTANGIBLE ASSETS

These are stated at cost initially. Subsequently, these are stated at cost less accumulated amortization and accumulated impairment loss, if any. Amortization is charged to the income and expenditure statement applying the straight-line method. In respect of additions and disposals during the year, amortisation is charged in full in the year of purchase and no amortisation is charged in the year of disposal respectively.

The gain or loss on disposal or retirement of an intangible represented by the difference between the sale proceeds and the carrying amount of an intangible is recognized in the income and expenditure statement in the period of disposal.

The carrying values are reviewed at each statement of financial position date for impairment when events or changes in circumstances indicate that carrying values may not be recoverable. If such indication exists where the carrying values exceed the estimated recoverable amounts, the intangibles are written down to their recoverable amounts.

3.4 IMPAIRMENT

At statement of financial position date, the carrying value of operating assets is reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable. If such indications exist and where the carrying value exceeds the estimated recoverable amount, the assets are written down to the recoverable amount an impairment loss is charged to the statement of income and expenditure.

3.5 CASH AND CASH EQUIVALENTS

Cash and cash equivalents comprise of cash in hand and balance with bank in current account.

3.6 INCOME RECOGNITION

Donations are recognised on receipt basis.

3.7 ACCRUED AND OTHER LIABILITIES

Accrued and other liabilities are initially recorded at fair value, which is normally the transaction cost.
